

Prayer is How We Communicate with God

Prayer allows us to worship and praise the Lord. It also allows us to offer confession of our sins, which should lead to our genuine repentance. Moreover, prayer grants us the opportunity to present our requests to God. All these aspects of prayer involve communication with our Lord and Savior. It's personal, he cares for us, and he wants us to commune with him through prayer.

"if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land." -2 Chronicles 7:14

Isaiah wrote, "He gives strength to the weary and increases the power of the weak. Even youths grow tired and weary, and young men stumble and fall; but those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary; they will walk and not be faint" Isaiah 40:29-31.
